• **Samples-** We are happy to print samples. Here is how it works. All screen charges are paid on the sample order as well as a \$20 per placement imprint charge and garment charge. Screens are held for 2 weeks on samples. If your order is placed **with no changes from the sample**, within the two week time frame, no additional screen charges are accrued. Balance of order will be billed at standard rates. If no order is forthcoming in two weeks, the order will be treated as a reorder and billed screen reset charges. Any changes in the order may accrue additional charges.

• **Fill in orders-** If the order was delivered to you less than 1 week prior to the fill in order there is no screen charge. If it is past one week, screens will be billed at the reorder set-up rate. For all orders less than 12 pieces, printing will be billed at a 12 piece minimum (regardless of piece count) for all placements.

• **Less than Minimums-** If your order is less than 12 pieces, you will be billed for 12 pieces regardless of quantity. Screen charges are as is.
